Mr. A. B. Karam, Sec'y.,
Inter-City Baseball Association,
55 West 42nd St.,
New York City.

Dear Sir:

In answer to your letter, asking The Eagles to come to West New York and Bridgeport, Conn., to play exhibition baseball games, The Negro National Baseball League has a standing rule by which the Teams must receive a minimum of \$100.00 guarantee for Night games, with an option of one-third of gate.

I would like very much to co-operate and could make the trip to west New York very easily, but I do not feel that I want to violate the League ruling on minimum guarantees. If the promoters can see their way clear to give these figures, I will send you my open dates.

Very truly yours,
